Reflections with Pastor Scott

Pray While You Wait

While on vacation in the Banff and Jasper area we faced moments of waiting in line for someone to come serve us or a little extra time for the bill or late shuttle arrival. I could see others getting frustrated by this. We were on vacation, so we were relaxed and going with the flow. “No big deal,” “No worries,” “We’re not in a hurry,” was our mantra on those occasions.

However, when I am back home and scooting through normal life, my patience wears thin in such situations. Recently, I came across a simple little tool for such moments where our faith, and in particular prayer, can meet the situation we face. Below you will find a prayer for such moments created by Pastor Hollie M. Holt-Woehl. We will have them available on the table in the large sanctuary space. Grab one and tuck it in your purse or wallet and give it a try next time your patience is wearing thin. It may give you a new perspective on the moment and a new perspective on praying.

WHILE YOU WAIT PRAY...

For the workers at the place where you wait & the people waiting in line with you:

“Only you, O God, know what is going on in their life, make whole what is broken, give strength for whatever they face this day...”

AND PRAY SOME MORE...

For family and friends, lifting them up one by one to Jesus:

“Jesus this is Sarah, Sarah this is Jesus.”

IF STILL WAITING PRAY...

For medical personal & support staff, public servants; For people who are sick, alone, facing food/housing insecurity; Or for anyone who comes to mind:

Use either suggested prayer starter above or another.

TIME TO SAY “AMEN.”

“May it be so,” leave it in God’s hands. God cares for you, strengthens you, and watches over you while you wait. (Isaiah 40:31)

Hollie M. Holt-Woehl

Continuing the journey of faith with you,

Pastor Scott

The Bishop's Article from the August 2022 Edition of The Spirit

We are extravagantly blessed in this state to be surrounded by amazing nature. Not far from us, on the Olympic Peninsula, there is a rainforest that has trees over 300 feet high and which are over 1000 years old. In human history, when those trees broke through the ground, Christianity was just beginning in the Scandinavian countries of Europe, the Charter of Liberties was signed by Henry 1 in England giving some rights to landowning men (revolutionary for its time), Islam was in its scientific golden age with many of the preeminent scholars and scientists of the Middle Ages, the person we know as Genghis Khan united about half of the Mongol clans under his leadership, and, in the area we now know as the Hoh Rainforest, indigenous people laughed and argued, loved and fought, hunted and fished. And there, on that land, tiny, fragile trees peeked through the ground.

One thousand years ago.

Since then, there has been love and birth, illness and disease, heartache and abandonment, war and rumors of war, laughter and joy. Pandemics have ravaged populations. Peace has been declared and lived into and broken. Nations have risen and nations have fallen and other nations have taken their place. Millions upon millions of people have come and gone. As long as those trees have been growing, there has been life and death and new life again. For one thousand years.

When life gets too fraught - when I worry about pandemics or elections or the state of many congregations or my children's future or humanity's future or this planet's future - when I begin to believe that I'm to save the church or humanity or the world - when I simply don't know what to do next - I think of the trees. One thousand years old and still growing.

And I take a breath. I breathe. And I trust in God's Holy Spirit.

For, as hard as it sometimes is to believe, dear beloved people of God, neither you nor I am called to save the church. Nor are we called to save the country. Nor are we called to save the world. As we have heard many times (I hope!) in church, Jesus died for the world already, you don't need to. And this world is redeemed through Jesus.

So, when we worry and stew and lose focus, what are we called to do and to be? As followers of Jesus, we are called to live and love in this world. As followers of Jesus, we are called to love the beautiful broken beloved people around us (even those you might not agree with or like). As followers of Jesus, we are called to love this beautiful broken beloved world and work to be good stewards of it. As followers of Jesus, we are called to leave this world and all of its inhabitants better because of us. As followers of Jesus, we are called to live and love in grace and move towards justice together.

When I think of the root systems of the trees in the Hoh rainforest - the roots that started shallow and individual but now go deep and wide, tangled up with other root systems, drawing from the same water source, burrowing as deeply down into the soil as much as they soar above the ground, interdependent with one another, needing one another - I think of how we are called to draw strength from one another, live together with each other, and deeply draw from the resources around us so that we all may thrive.

When I think of the Hoh Rainforest trees, peace comes over me. For I truly believe that, through the Holy Spirit, the Church will continue with deep roots and soaring heights. In one thousand years, the Church will not look the same as it does now (much like it has changed from 1000 years ago) and yet, Christ will continue to save through grace - of this I am certain.

I am thankful that in this time and place, we are called to live into the good news of Jesus' radical acceptance together. I am thankful that God is living and moving and being in me and I am living and moving and being in God. I am thankful that God is living and moving and being in you as you are living and moving and being in God. And, together, we look to those thousand-year-old trees. We look to seedlings and saplings. And we remember these words from Psalm 90:

Lord, you have been our dwelling-place
in all generations.
Before the mountains were brought forth,
or ever you had formed the earth and the world,
from everlasting to everlasting you are God.

You turn us back to dust,
and say, 'Turn back, you mortals.'
For a thousand years in your sight
are like yesterday when it is past,
or like a watch in the night.

May the beauty and blessing of God be with you always.

Let's Go together

THE COURAGE TO GROW FROM US TO TRUST

The Challenge

We are all concerned about the feeling of division and the low levels of social trust between people in our neighborhoods and our communities. We can feel the strain and want to do our part to make things better.

Jesus lived and led in a time when the bonds between neighbors were being dismantled by the Roman Empire.

Jesus' response was

- to invite people to love their neighbors as themselves to do good to and speak well of both enemies and those of different cultures
- to work with others for the well-being of the community

The Let's Go Together program invites Christian congregations to follow Jesus' example today. We believe they can play an important role in rebuilding trust in the wider community. Let's Go Together focuses on rural towns, smaller cities, and exurban areas where demographic changes are posing a particular challenge for social cohesion.

The Invitation

The Let's Go Together strategy prepares churches to build meaningful relationships with neighbors of all cultures and faith traditions, and to work for the common good together through three simple, easy, yet powerful activities:

- Eat, play, and share stories
- Do service projects
- Show up at public celebrations together.

Actions speak louder than words. Studies show that people who participate in positive experiences with people whom they perceive as different, will talk about this inspiring event with, on average, 20 other people—increasing social trust far beyond those who participated. When Christian Churches take part in these kinds of activities with people of diverse backgrounds, the community gains trust in both the churches and their diverse neighbors.

Preparing Congregations

Let's Go Together helps congregations to recognize how relating respectfully, working for the common good, and being in public solidarity with diverse groups is faithful to Jesus, and to the Abrahamic tradition that Jesus learned on Mary's lap. Program activities inspire and support adults and youth as they discover their own "why" for working together with their neighbors of all backgrounds:

- Why it's important as individuals
- Why it's important as followers of Jesus
- Why it's important as citizens

Let's Go Together program activities include:

- Consultation with pastors and leaders
- Written and video introductions for the congregation
- A sermon and an introductory class
- A six-week course including self-study (online) and in-person (or hybrid) classes
- Support for forming a local multi-faith/multi-cultural partnership
- Ongoing support for planning activities with partners and the wider community

Congregations typically offer a small financial contribution, based on their size, to support Paths to Understanding in this work. However, we are willing to work with communities regardless of a financial contribution. Most of the time, we work with multiple congregations within a geographic area to strengthen local partnerships.

- Small Congregations: \$300
- Medium Congregations: \$600
- Large Congregations: \$900

Join Us!

We would love to have a conversation with you about Let's Go Together and the powerful role that Christian congregations can play in rebuilding trust in our communities and in the future we can build together.

BENEVOLENCE OF THE MONTH

August 2022

Lutherwood

Lutherwood is nestled in the evergreen trees along the north shore of Lake Samish, about 10 miles south of Bellingham. It was founded 75 years ago and has been running programs for campers of all ages on 103 acres of beautiful waterfront and forest land. It is the perfect place for summer camp opportunities, family camping, retreats all year round, family reunions, assembly meetings and various other gatherings.

Mission Statement: In partnership with western Washington Lutheran congregations, Lutherwood Camp and Retreat Center is a year-round outdoor ministry, renewing all in the Holy Spirit through education, adventure, service and prayer.

A variety of programs are offered for kids, adults & families; including:

- Embers 1st & 2nd Graders
- Traditional 3rd to 12th Grades
- Specialty 6th to 9th Grades, Arts, Fishing, Survival, etc programs
- Counselor-in-Training 10th to 12th Grades
- Family Camps Half or full week; camp in tents, RVs or cabins

While the above programs are probably typical of many camp facilities, Lutherwood goes beyond the typical and also offers special opportunities like the following:

Camp Phoenix - For children recovering from burn injuries. This is the 9th year Lutherwood has sponsored this weeklong camp where burn victims can share their stories and bond with each other. The program helps them feel more comfortable and in control of their anxieties and panic when receiving negative reactions about any disfigurement. Most of all, camp is a place to have fun, learn new things, find acceptance and build self-esteem.

Lake Samish Music Camp - This is an incredible opportunity for music students to participate in an inclusive, rigorous, and fun summer camp experience. Now in its 11th year, it is an overnight camp where students participate in small and large ensembles and have individualized instruction on their primary instrument by highly qualified instructors. This camp is aimed at students who are in 6th thru 12th grades and are starting their second year of study on their instrument.

Camperships are awarded to every camper who needs financial assistance to attend a week of camp, so they have a chance for a transformative camping experience. **This is financially possible because of Lutherwood's partnership with congregations.** Our support enables Lutherwood to continue to provide amazing programs.

Dear Scott,

We were so grateful to receive your donation of \$42 on June 13, 2022. Thank you! You are helping local households break the devastating cycles of poverty and homelessness with your support. I hope that gives you a good feeling knowing that!

Dennis is one such household you're helping. His accomplishments show how much your giving helps. Family Support Coaches and Employment Specialists provide much needed guidance for folks as they transition out of homelessness. Once in a home, the immediate crisis is over and it's time to address other challenges to help households thrive. Dennis' story is one of many examples of the:

- 1,629 individuals from 631 families who had stable housing and access to tailored services from our Social Services and Employment Teams
- 53% of employable adults who participated in job training, education, internships, or paid employment

We are incredibly thankful for your support and look forward to sharing more of our successes and challenges over the coming months through our newsletters, emails, and other communication! If you have any questions, give us a call at 425-347-6556.

"I was looking for my last job. I'm not looking for a paycheck. I'm looking for something that I can retire from and something that means something." When Dennis moved into his apartment at Housing Hope, he didn't know this is how he would feel three years later.

After serving in the Navy for several years, he left in 2001, got a job at a vinyl plant manufacturing windows and doors, and bought a house. In 2014, his employer was bought out by another company and Dennis was laid off. A year later, he lost his home, causing him to become homeless.

He lived in a tent with his cat Sprick for the next four years until an apartment became available at Housing Hope. After taking a little time to adjust to his new environment, he then jumped at the opportunity to participate in the job training program at Renew Home and Decor. They loved him there for his carpentry skills, which he used to repair and build furniture.

When he graduated from the program, he was hired as a full-time employee at Housing Hope. Now working as a maintenance technician, he fixes issues for residents at different properties. He keeps busy with his woodworking projects as well. He is relieved and comforted to have a job that could be his "last, meaningful" job before retirement.

Dear Camano Lutheran Church,

Thank you for your recent gift of \$58.00 to Lutheran World Relief given through the Northwest Washington Synod of the ELCA. I'd like to share a story with you about how your support makes a real difference.

Rajendra Kushwaha and his wife Nikky Devi used to have a hard time sleeping, as they feared they'd be woken in the night by rising floodwaters that would wash away their home, gardens and livestock. It had happened several times before — the river near their home in India would swell without warning and sweep everything away, leaving their family vulnerable to hunger.

But your kindness reached them on the banks of the river. For them, your love sounds like an announcement made through a tinny megaphone, letting them know a flood is coming. This early warning system urges their entire village to take their livestock and valuables to higher ground well before the floodwaters arrive. Your love is also teaching them new farming techniques — like growing food on rooftops or in hanging baskets — so their vital crops don't wash away. Now Rajendra, Nikky and their children can rest easier at night, knowing their crops and futures are more secure.

Thank you for your generosity! We are proud to carry your love — and God's love — to the places it's needed most... until your love reaches every neighbor.

Warm Regards,

Ambassador Daniel V. Speckhard

Dear Friends,

Thank you for your recent generous gift of \$555.75 to Lutheran World Relief's Quilt and Kit Shipping Fund!

Life in the COVID era has been so hard for so many of our neighbors, and we know the needs are only growing as conflict, natural disaster and other crises often affect those who are already suffering. Right now, a quilt or a kit might be the one item of comfort someone might have when they are facing poverty, disaster or war.

Because of your love, a family in a refugee camp can feel more at home with quilts to wrap around their shoulders. Families who have lost their homes in an earthquake can maintain their hygiene and dignity with a Personal Care Kit as they determine how to rebuild. And a mother living in the slums can welcome her new baby with pride, feeling your love and support every time she swaddles it with items from a Baby Care Kit.

I am so grateful that you are loving these neighbors by ensuring they'll receive these critical items just when they need them most.

Thank you,

Ambassador Daniel V. Speckhard

P.S. God bless you and your generous spirit.

As required by the IRS, this letter confirms that Lutheran World Relief has given you no goods or services in return for this gift. This letter is your receipt for your charitable gift of \$555.75 - Quilt & Kit Shipping Fund.

JUNE 2022 CLC PROPERTY TEAM ACCOMPLISHMENTS

1. Washington state has new requirements on railing picket spacing on fencing adjacent to areas used by our Childcare clients. The new distance is 3 & 1/2 inches or less. The current railing areas used by Childcare is 8 inches in some areas and 9 inches in other areas. A total of 117 new custom made painted pickets were installed to meet the new requirement.
2. Childcare telephones occasionally would not work. The problem identified was a bad RJ11 jack the telephone plugs into. Obtained a new jack to solve the problem.
3. Repaired gate closure in entry fence.
4. Had replacement keys made for all Preschool classrooms.
5. Working with a locksmith, we were able to find, buy and install a new push bar and locking arrangement for the entrance door to the large sanctuary. Some detailed finishing work remains.

PORT TOWNS CHURCH

July 2022 Update

Hello there!

An update is LONG overdue so let me get right to it!

2022 has been such a blessing for us at Port Towns Church. As many of you experienced yourselves, COVID was at its worst infection rate this past winter. This actually forced us to return to virtual services in January of this year. But come February, things really turned around for us. Here are the highlights:

Community Easter Egg Hunt

On the Saturday before Easter, we put on an Easter egg hunt for about 100 neighborhood kids! To tie things back to the message of Christ, some of the eggs had pictures associated with Holy Week. I had the kids guess which order the pictures should go in and tell them the story of Jesus conquering death for us.

Pastoral Resident - Elvis Le

I have been working with Elvis for almost a year already, working to bring him up to DC to work with Port Towns Church, and I'm so glad he and his wife, Jaime, have made it. He has been a great partner in ministry, helping to preach regularly, getting a second community group started, and working towards ordination as a pastor.

Ten New Members Added - with Eight More On the Way

The past two years during COVID have been especially challenging as it felt like we were just treading water. But in just over half a year in 2022, we will have 18 new members at Port Towns Church - most of whom were not previously connected to a church with two of them to be baptized!

Community Groups Running Again

After being shut down for much of the past two years, it is great that one community was up and running during the spring. That group took a break for the summer, but beginning this fall we will have two additional groups running with Elvis and myself leading two additional groups.

As you can see this is a highlight reel of these past six months, but I hope it gives you a sense of the joy God is bringing to us here! We hope for continued growth throughout the year. Please reply to this message if you have any questions or would just like to talk. Would love to hear from you.

Blessings,

Danny
