“See, I am doing a new thing! Now it springs up; do you not perceive it?” Isaiah 43:19

God IS up to something – what is it?

How do we perceive, recognize, notice whatever “it” is – and then respond?

As both individuals and faith communities, isn’t this part of our regular reflection all the time? We know God is active in the world. We know God is continually moving to bring love, grace, healing, and wholeness to a world that desperately needs it. And we believe that as members of God’s body, however small we are, we get to be a part of that big “Good News” mission.

The congregations and ministries in our synod are mission centers – where God’s beloved people are embraced, inspired, strengthened, and equipped to be participants in God’s work in the world. I am humbled to listen as so many people share with me profound stories about how God is working through them – both individually and through their communities of faith. Of course, I don’t have enough space here to share with you all these stories, but I will tell you one:

Pastor Wendy Cheung serves as the Mission Developer for two of our Synod Authorized Worshipping Communities (SAWCs). One of them, called Jesus Loves Me Lutheran Church, is a unique community serving special needs children, adults, and their families. Pastor Wendy told me:

“There have been many times when I have struggled with this ministry because I know how complex and demanding it is. The greatest challenge is not designing programs. The deeper challenge is how to walk faithfully with children with special needs and with their families. Children with special needs may experience sudden emotional, behavioral, or sensory challenges, and their parents and caregivers often carry long-term stress, anxiety, exhaustion, and pain. I often ask myself: How can we truly care for these families? How can we accompany them without simply trying to solve their problems? How can we help bring them into the presence of God so that they themselves may receive strength, comfort, and hope from Him?

This ministry requires more than good programs. It requires patience, training, pastoral care, wisdom, and a community willing to learn how to walk together... My hope is that Jesus Loves Me will continue to be a community where these families experience love and belonging, and where they are also empowered to share that love with other families who live with similar realities. I hope it will become a place where every person has meaningful opportunities to participate, serve, and use the gifts God has given them.”

God is at work in and through this beautiful ministry – and I am so grateful that this community is part of who we are as people of faith in the Northwest Washington Synod.

I am honored to serve as a connector, supporter, and advocate for all the congregations and ministries throughout our Synod. I am grateful for you, and for all our many mission centers, active in both perceiving and participating in what God is up to in our amazing corner of the world. Let’s stay connected!

Your partner in ministry,

Rev. Judy Brennan, Director for Evangelical Mission | Northwest Washington Synod | dem@lutheransnw.org

We travel to the northern tip of our synod and the other side of the globe for Volume 1, issue 2 of The Lay of the Land. This is the story of two ordinary women with an extraordinary idea.

Dawn-Marie Hanrahan, attended Zion Lutheran Church in Ferndale for the first time with her 6- and 8-year-old children 36 years ago. After Sunday school that first Sunday, her 6-year-old pleaded, "Mommy, Mommy, can we please stay?" They did.

In 2013, Shilla Adyero, a Ugandan woman studying at the Fairhaven School at Western Washington University, arrived at Zion Lutheran Church for Easter morning worship service.

A Custer, Washington, couple who had visited Uganda previously, had heard Shilla speaking about sustainable development opportunities and were so impressed they invited her to continue her studies in the United States, at their expense. She was living with them and attending Fairhaven School. Homesick and missing her village community, Shilla wanted to connect with a Christian congregation.

Shilla and Dawn-Marie met that Easter morning and became instant friends. Zion felt "like home" to Shilla, so she continued to attend services and welcomed the invitation to join our congregation officially. Soon after they were working together to support the Slum Doctor Programme, a non-profit that focuses on health care, public health, food supplies, education, and aid for communities affected by HIV/Aids in Kenya and Uganda.

When Shilla's term with her host family was complete, she was suddenly in need of new housing. Dawn-Marie was aware of an alternative housing possibility with another Zion family. Robin and Bob Ogmundson had lost their 27-year-old daughter, Amy, to juvenile cancer just a few months earlier. After prayerful consideration, Dawn-Marie approached the Ogmundsons with Shilla's housing need and they, in turn, generously agreed to host Shilla as their contribution to her philanthropic work and studies. Both the Ogmundsons and Shilla found great solace and healing in giving of themselves and their resources.

One afternoon, while sitting together in Shilla's new home, Shilla shared with Dawn-Marie that because the Ogmundsons had taken her in as their own daughter, she wanted to do something special for them, in Amy's honor. Shilla wanted to bring books to her home village in Gulu; she wanted to build the first public library. When Dawn-Marie asked, "So where do we start?", the seed for Lutino Adunu was planted. Lutino Adunu means "children loved" in Shilla's native Acholi language and is now a registered Ugandan children's educational non-profit. It is the only organization in the region that serves the needs of children and has grown to become so much more serving the greater communities.

Dawn-Marie stated that realizing the dream and expansion of Lutino Adunu has been a long and winding journey, full of twists and unexpected challenges. But then, aren't a lot of the journeys God takes us on that way?

Dawn-Marie recalled story after story of how the Holy Spirit has worked in and through them along this journey.

- A \$20,000 P.E.O. International Scholarship award given to Shilla to continue her graduate studies in sustainable development at the School for International Training, in Brattleboro, VT.
- Ogmundson family connections additionally provided Shilla's housing while a student at S.I.T.
- Many fundraisers, donations and grants that, much like the Bible story of the 5 loaves and 3 fish, continued to sustain Lutino Adunu.
- The airline agent who so kindly waived the overweight costs of Shilla's suitcases returning to Gulu, because Shilla had filled her suitcases with the first library books rather than return home with her personal clothing and belongings.
- The generosity of the Catholic dioceses to allow use of an outbuilding as the temporary community library.

Continued --->

- The challenges overcome when the temporary library was immediately closed due to termite infestation causing damage to the structure, furniture, books and administration documents.
- The life-saving assistance Lutino Adunu offered during the Covid-19 shutdown: masks for law enforcement and medical personnel, hospital and clinic supplies, emergency transportation, providing infant formula for orphaned babies, which saved their lives, and so much more.
- The MicroLoan Program established to assist start-up businesses.
- The Atek Pad Project, training sewers in making reusable feminine hygiene kits. Adequate hygiene supplies for young girls and women significantly reduce school drop-out rates. To date, Lutino Adunu has trained 57 schools and multiple communities throughout the region.
- Development of the Community Demonstration Farm on Lutino Adunu land in partnership with the Pangora Demonstration Farm. Includes hands-on youth-group training for sustainable agriculture, education, and community empowerment; Crop and Seedling Production; and School Feeding and Gardening Projects. More information can be made found at: Global Opportunity Fund (GO Fund).
- Initiated a cooperative relationship with the local prison to begin a prisoner reading program and women's empowerment groups
- October 2023, Dawn-Marie coordinated a local "Fun-raiser" Dinner and Live Auction in Ferndale in support of building the permanent library. The single even raised or \$47,000 and the cost to host the event was generously supplemented by several Lutheran member's Thrivent Action Team Grants.

And the list goes on with too many to include here! Of course, there are countless stories of challenges along the way, too.

- Lack of adequate funding
- Unreliable internet connection for corresponding
- Lack of adequate devices: phone, laptop, computers
- Political unrest within Uganda
- Lack of transportation
- Covid pandemic
- Critical medical and survival needs of the community utilizing Lutino Adunu resources
- Government lockdown
- Supply shortages
- Misunderstandings due to cultural differences
- Funding withdrawals
- Rising costs of building materials
- Inclement weather conditions

With Shilla living in and operating Lutino Adunu in Uganda and Dawn-Marie living in and assisting from the Pacific Northwest, the distance alone has been sometimes overwhelming. But anytime another challenge arises, Dawn-Marie and Shilla turn to prayer for guidance and discernment. Their dream of building a public library in Shilla's home village has expanded into a resource center with Administration Offices, public Conference Room and so many more programs and projects now serving the wider community. These ordinary women with an extraordinary idea have never lost sight of the facility's completion. Grace happens. And God completes good works begun.

The new Lutino Adunu Community Library and Resource Center is nearing completion. Additional funding is still very much needed. If you would like to find out more information about Lutino Adunu, you can Follow them on their Facebook page at <https://www.facebook.com/lutino.org/> They also have a GoFundMe online donation site, if you wish to help them finish the building and fill the library with books.

Evangelical Lutheran Church in America
God's Work. Our Hands

August 1, 2026

Dear Partners in Ministry:

Grace and peace to you in the name of Jesus Christ!

On behalf of the Northwest Washington Synod of the ELCA, thank you for the faithful Mission Support your congregation has shared. Your generosity is a visible sign of our life together in Christ and a tangible expression of the way we walk together as synod—congregations, leaders, ministries, and ministry partners joined in God's mission across our region and beyond.

Mission Support makes it possible for the Synod to encourage and equip congregations, accompany rostered and lay leaders, support new and renewing ministries, provide resources for stewardship and administration, strengthen partnerships throughout the wider church, and respond to emerging needs in our communities. Through these shared gifts, we participate in work none of us could do as fully alone.

As your congregation considers its ministry plan and budget for the coming year, I invite you to prayerfully consider increasing your mission support to the Synod by one percent, just as the Synod has increased its contribution to Churchwide by a similar amount. This modest step, multiplied across our congregations, would strengthen our shared capacity to serve, connect, and accompany ministry throughout Northwest Washington. A one percent increase is also a hopeful and practical way to say that we believe our common ministry matters—and that together, by God's grace, we can continue to meet this moment with faithfulness and generosity.

We recognize that every congregation is discerning its giving in the midst of unique local realities. Please know that your current support is deeply appreciated, and this invitation is offered with gratitude, not assumption. Whatever your congregation is able to share, we give thanks for your partnership, your witness, and your commitment to the gospel we proclaim together.

Thank you again for your faithful generosity and for the many ways your congregation participates in God's work in your community and throughout the wider church. May the Holy Spirit continue to guide and bless your ministry in the year ahead.

With gratitude in Christ,

Dan Clements, Treasurer
Northwest Washington Synod

LUTHERAN WORLD RELIEF

BENEVOLENCE OF THE
MONTH

October 2026

by Carl Gabrielson

Perhaps you, like Ruth and I have been overwhelmed by disaster after disaster this summer: landslides and flooding in Nepal; floods in Japan and in our Midwest; earthquakes in Venezuela, Indonesia, and Japan; several severe tropical storms through Hawaii and Japan; volcanic eruptions in Indonesia; plus all our ongoing wars and conflicts. How can we possibly help?

Lutheran World Relief, sponsored by the ELCA and Lutheran Churches throughout the world, is always ready to respond. The quilts and care kits that our quilting group makes are only one part of LWR preparations. Our donations enable LWR to have important resources on hand to respond quickly.

Immediate disaster relief is not LWR's only concern. Recovery from disasters can take years: LWR is continuing helping.

LWR also works to help communities develop productive and stable economies to improve resilience in the face of disasters and crises.

Lutheran World Relief is our designated benevolence for October.

Please consider making an extra donation on Sunday or through the Camano Lutheran Church website.

Childcare Corner October 2026

Camano Lutheran Childcare

Play, Learn and Grow Together

We are officially in the swing of our new school-year routines, and things are settling in nicely!

We are excited to welcome several new families to our program, bringing us to 22 children in our care.

We still have space available in our before- and after-school care program. If you know a family with children attending Elger Bay or Utsalady Elementary who may be looking for childcare, please have them reach out to us.

Kris has recovered from her surgery and has been cleared to return to work! We are so excited to have her back with us. We also said goodbye to Liberty, who did an amazing job filling in for Kris during her time away. We are so grateful for all of her help and dedication, and we will certainly miss having her here!

Butter Braids are back! We are excited to bring back our Butter Braid fundraiser this year. The fundraiser will run from October 12th through November 6th. Flyers and order forms will be posted on the board in Fellowship Hall for anyone to pick up/share and use to place their orders. All orders will be delivered to the church and will be ready for pickup on November 9th.

The funds raised will help us purchase new supplies for our classrooms and replace some of our well-loved nap cots that are beginning to break down. This will help us provide a fun and safe learning environment.

Halloween is always a fun and exciting time for the children! We will be celebrating with a Halloween party where the children can dress up in costumes, trick-or-treat around the church, and enjoy some fun Halloween-themed games and activities.

We are looking forward to lots of smiles, laughter, and Halloween fun!

Dear Friends,

Thank you for your gift of \$50.00 to Lutheran World Relief given through the Northwest Washington Synod of the ELCA. Your generosity changes lives in many ways, from carrying health care to hard-to-reach communities to ensuring hungry children have access to nourishing meals.

Here's a powerful example. Posseh Kamara, 15, is an orphan from Sierra Leone. Posseh knew education was her key to a better future, but hunger and poverty kept getting in her way. Instead of going to school, most days she sold water on the street just to buy a meal. Fortunately, your love helps young girls overcome the challenges that keep them out of school so they can carve their own paths out of poverty. Last year, because of generosity like yours, Posseh finally graduated from primary school and was named "Student of the Year" because of her hard work!

Thank you for changing lives with your generosity. I'm excited to see whose life you will change next... until your love reaches every neighbor.

With deepest gratitude,

Ambassador Daniel V. Speckhard
