## Reflections with Pastor Scott

### *Hope*

*“Therefore, since we are justified by faith, we have peace with God through our Lord Jesus Christ,<sup>2</sup> through whom we have obtained access to this grace in which we stand; and we boast in our hope of sharing the glory of God.<sup>3</sup> And not only that, but we also boast in our sufferings, knowing that suffering produces endurance,<sup>4</sup> and endurance produces character, and character **produces hope,<sup>5</sup> and hope does not disappoint us, because God’s love has been poured into our hearts through the Holy Spirit that has been given to us.”***  
Romans 5

Oh, how financially wealthy I would be if I had a dollar for every time I heard someone say this past winter, “I am so ready for winter to be over and for Spring to begin.” Now the flowers are poking through the ground, the cherry trees are blossoming, and the sunshine is making its way out and bringing warmth with it. That long “hoped for” season is here, and it reminds me of the Easter hope we have in Christ all year round.

Hope is an experience of trust that God remembers us, and God’s presence, love, and mercy is all around us, regardless of circumstances or future outcome. The disciples didn’t want an unknown future, “God forbid Lord! This shall never happen to you!”, Peter exclaims when Jesus shares his messiahship will lead to the cross. Despite Peter’s protest, Jesus ended up on the cross. But Easter came as promised. Peter refused to see the whole Messianic picture or at least be willing to wait and see the whole picture when he made that proclamation. He wanted all things regarding the future to match how he thought life and the messiah was supposed to happen.

Walter Bruggeman views hope as, “trust in what God has done and will do, in spite of evidence to the contrary.” The “evidence at hand” can lead us to try and control the future verses leaving it in God’s hands. The virtue of Christian hope leaves the field wide open to unexpected grace and to a future created by God rather than us. Easter is the reminder that God has kept God’s promises for life, from the beginning of creation and will do so again, despite “evidence to the contrary.”

There is a simple phrase I grew up saying at mealtime when I started the grace we prayed, “Come Lord Jesus, be our guest...” As I think of Christian hope seen in its fullest exclamation point, Easter, I like what Father Richard Rohr does with the beginning of that phrase, “Come Lord Jesus.” Father Rohr says, “*Come, Lord Jesus*” is a leap into the kind of freedom and surrender that is rightly called the virtue of hope. Hope is the patient and trustful

*Continued —>*

*willingness to live without full closure, without resolution, and still be content and even happy because our satisfaction is now at another level, and our Source is beyond ourselves. We are able to trust that Christ will come again, just as Christ has come into our past, into our private dilemmas, and into our suffering world. Our Christian past then becomes our Christian prologue, and "Come, Lord Jesus" is not a cry of desperation but an assured shout of cosmic hope. Easter and this season of Easter is the eternal promise of hope and so we say, **Alleluia, Christ is Risen! Christ is Risen indeed, Alleluia!**"*

Continuing the journey of faith and hope with you,  
Pastor Scott

## The Bishop's Article from the April 2024 Edition of The Spirit

### **From the Bishop:**

In fifth grade, I started playing trumpet. This wasn't the instrument that I chose – it was chosen for me because my aunt had an old trumpet and my mom said, "If you want to be in band, you can use this trumpet." But even though I wanted to play the flute, the trumpet was definitely the instrument for me. I loved playing trumpet. I loved the sound, the way to make different notes with just three valves, using different mutes that produced complexity of tone. I loved to polish and clean my trumpet – especially when I received a new silver trumpet in high school. The only thing I didn't like was carrying it to and from school because of the big hill that we lived on.

In high school I was in both band and jazz band. In jazz band we traveled to many competitions – winning the Reno Jazz Festival one year. When I look back on my experience in band, I realize that there are so many things that I continue to apply in my life, and as part of the body of Christ, that go back to being in band.

First, you can't be a band on your own. If you play a solo instrument, that is lovely. But that isn't a band. There needs to be a group to form a band – it can be small or large – but an agreement that you are engaging with one another and playing music with one another leads to forming a band. If you are using music, the same music is important – also the same key and the same beats per measure helps. An agreement on how fast or slow the tempo is important. In short, community is needed for a band.

Second, you can't all play the same instrument. I mean, I love the trumpet – but a band of trumpets is one-dimensional (and can

be very loud). I admit that as much as I love brass, you need more than brass to form a band. We have all heard brass quartets – but for a band, you need the saxophone, the piccolo, the clarinet, the drum, and so much more. Diversity is needed in a band.

Third, you can't drown out others. I speak as one who plays trumpet. Trumpets know how to be loud. And if trumpeters are not careful, they will hide the beauty of the other instruments. There is nothing more gorgeous than notes from an oboe coming from seemingly nowhere to fill the air with that wistful, haunting sound. In other words, listen for the woodwinds. A variety of sounds and voices are needed in a band – especially those that are more hidden.

Fourth, harmony doesn't mean the same note. It would be boring if every single instrument played the very same note for every song in a band's repertoire. Our ears are tuned to hear melody, harmony, dissonance, and resolution. In a band, it is imperative that different notes are played – different rhythm patterns are introduced, and a play amongst the instruments happens. Harmony and dissonance are needed in a band.

Dear people of God, these four things are also needed in the church and in the world: Community, diversity, variety of sound and voice, harmony and dissonance. I invite you to think about your worshiping community. How are we all like a band? How can we be more intentional in these four areas?

Our composer and maestro is God – God is directing and leading us – in the music we co-create. May this spring awaken you in the beauty and grace of God. May the community in which you gather bring music in all its fullness.

### CLC PRESCHOOL UPDATE FOR APRIL 2024

Greetings From the Preschool. Camano Lutheran Preschool has been a ministry of Camano Lutheran Church since 1979, when this very generous congregation decided to reach out to our community and share God's love in a very tangible way. Preschool! We have been serving this community as an extension of Camano Lutheran Church in this manner ever since.

We are excitedly planning our annual Spring Graduation and Promotion event. It will be held here at Camano Lutheran Church on Tuesday, May 14th at 6:00 p.m. This is a very special time where we hear the children perform and they receive their certificates of completion. Our Pre-K children will also have the added excitement of coming on stage wearing their caps and gowns. They are so adorable and this is such a special way to send them off on their new adventures.

We are currently registering new and returning students for our fall program. Please think about sharing this opportunity with anyone you know who has young children between 3 and 5. Camano Lutheran Preschool has an amazing, dedicated staff with great skills to help children learn and grown while having fun in the process. Check out our website at [Camanolutheranpreschool.com](http://Camanolutheranpreschool.com) You will see our wonderful classrooms, meet our teachers and learn more about our commitment to young children. If you have never had the opportunity to see first hand what we do, I would invite you to call for a tour. We love the opportunity to share our passion with others.

## FEBRUARY 2024 PROPERTY TEAM ACCOMPLISHMENTS

February was a relatively quiet month with only minor problems needing correction.

1. One of the Fellowship Hall's main entrance doors failed to completely latch closed. Adjusted door closure unit, works okay now.
2. Ballasts and burnt-out tubes in the basement and Child Care office lights were removed and direct wire tubes were installed,
3. The battery and adult pad in the defibrillator had reached expiration dates and were replaced.
4. Tiny little ants appeared in the Preschool classroom areas. Sprayed along room door entrances, will monitor for any further activity.
5. The outside security light above the kitchen entrance to Pioneer Hall is now remaining illuminated during daylight hours. It will be monitored and replaced with a newer fixture at a later date.

Recently I realized that the March springtime was just around the corner. Several thoughts immediately came to mind about what needs to be done, so I decided to write them down before I forgot. Unfortunately, it took me a little while to find some paper because while I was looking, I remembered I had to do something else right away. When I finished that task, I got the paper and began to write but discovered the pen was out of ink. By the time I found another pen, I forgot what I was going to write down. Anyway, I'm sure you know what I'm talking about, so as the saying goes: "Hold that thought".

Take care, stay healthy.

Jim

## PAINTING THE PIONEER HALL AND OTHER PROJECTS

There are many projects needing to be done to preserve our buildings:

First is painting the exterior of the Pioneer Hall. Others include painting the exterior of the childcare building, the east wall and steeple of the historic sanctuary. The scoffs of the multipurpose/preschool building need to be replaced and painted.

We are asking for designated contributions to the CLC building maintenance fund. This could be done monthly or as a one-time gift. If you would like to give online there is a "CLC Building" choice to use to contribute to the maintenance fund or if you prefer to write a check please note in the memo for the Building Maintenance fund. This request is with caution that individual gifts should not interfere with or replace regular giving.

If you have any questions contact Jim Joyce or Dan Bauermeister.

## CHURCH EVENT CALENDAR REMINDER

As a friendly reminder, if you are planning on using one of the church spaces, please be sure to let the church office know so we can get it on the event calendar! We are blessed to have our spaces used by many groups who have weekly and special events causing the schedule to change often. Thank you all!

## LAWN MOWING HELPERS NEEDED

It seems like it was only 30 years, and 10,000 miles, ago when Dale began driving the John Deere across the church's vast fields. His sunglasses reflecting in the afternoon sun, his gray hair whisking in the breeze, as back and forth he cut his way across the growing grass while enjoying the bunnies scurrying into the bushes, and the swallows soaring along, low and close to the mower. He was the voice of experience to the rest of us, our trainer, scheduler, and the man who kept things going. This spring he decided to retire and his presence will be missed. That said, over the years, we have been working with 3 two-man mowing teams. One person mows the fields and the other mows around the buildings. The job usually amounts to a couple hours once every third week. Unfortunately, for the next few months, one of our other members will be "out of order" due to an injury, and another will be taking an extended vacation. Thankfully a volunteer has already stepped forward to help out, so we still have 2 two-man teams. However, a few more volunteers would be greatly appreciated. Soooo, if the call of the great Island outdoors, and an inspiration to assist in the maintenance of the church grounds, tweaks your interest, please contact Jim, Dan, or Arlyn. Thanks.

## CHILDCARE CORNER APRIL 2024

It's Springtime! We are all feeling it, especially the children in our care. They are all excited to see new toys out on the playground. The playground needed an uplift. A huge thank you to those involved in this endeavor.

Our licensor made an unannounced visit March 14th and let us know the big tire out on the playground needed to be moved to provide a 6-foot fall zone from the large playground structure. After talking to our maintenance crew, it was decided to remove the tire.

Per our licensor, we needed to ensure that nine inches of bark covered under the swings. Our teachers went out with their children and together made sure we had nine inches. They earned an "all building" pajama day party on Friday, March 22<sup>nd</sup>.

A huge shout out to our cooks. They have been cooking USDA guideline meals. The children can't get enough of their cooking. They are even eating their vegetables! Because we serve USDA guideline meals, we are participating in the State's Food Reimbursement Program through the Office of Superintendent of Public Instruction (OSPI).

Spring Break is upon us April 1-5. We are looking forward to having our school-age children with us.

Summer is fast approaching. We have already begun building our roster for the school age summer program. Current families have until April 5<sup>th</sup> to sign up. After that, we will advertise.

We are still in the process of meeting state standards to install a fire alarm system throughout the church. A great thank you to all involved in this endeavor.

Camano Lutheran Childcare has room for more children. If you know of anyone who may need care, please have them reach out to us. Our phone number is (360)629-2253. They can also email us at [childcare@camanolutheranchurch.org](mailto:childcare@camanolutheranchurch.org). Thank you for your continued support.

On a personal note:

From the bottom of my heart, I feel so very blessed to be a part of Camano Lutheran Childcare. I continue to meet wonderful people and the support you have given me to do my job is amazing. Every morning driving to work, I pray that Jesus uses me as an instrument of his. He knows best how I can help those he brings to me. Thank you very much for your support!

Blessings,  
Deanna Glenn

Dear Friends,

**Thank you** for your recent gift of \$63.00 to Lutheran World Relief given through the Northwest Washington Synod of the ELCA. I'd like to share a story with you about how your support makes a real difference.

Deysi Milagros Canales Machuca was in elementary school when Lutheran World Relief staff met her, and she was scrawny and hungry. Her village in Peru was experiencing famine and a two-year drought, and her family was surviving on the one variety of potato they could get to grow.

But you changed everything. Your kind generosity delivered seeds, tools and mentorship for Deysi's village. They learned how to grow a variety of foods that are well-suited to their unique mountain climate, and they were able to expand their livestock herds. Because of you, Deysi is now a thriving, healthy adult with a baby of her own, and she is studying to be a nurse so she can take care of her community. Today, Deysi has hope.

Thank you for your generosity! When you love your neighbors, it transforms their lives. We are proud to be your hands and feet out in the world... until your love reaches every neighbor.

Warm Regards,

Ambassador Daniel V. Speckhard  
President and CEO

We were so grateful to receive your donation of \$889.51 on February 9, 2024. Thank you! Your contribution is vital to our work. You're helping households like Sarah's.

*My journey began (at the end of) 2019 after I attempted suicide by overdose due to uncontrolled and undiagnosed mental illnesses. I was sent to a treatment facility where I was held for 3 weeks. It felt like I was in jail, and all I could think about were my children—how I could have done this to them and how I could do things to change my life around to be a better mother... After my overdose, I lost everything—my job, my home, and my kids... In late 2020, we (Sarah and her 4 children) finally had our own home (at Housing Hope)... (About a year later), I am a Gene James Graduate with honors, I was a student ambassador. I am about to take my state boards and get licensed. The future is looking bright. It's a stark contrast to what I thought my future looked like almost 4 years ago. I never would have thought I'd be where I am, but here I am. I tell everyone, "It's not about how hard you fall. It's about how hard you bounce back, and I bounced back as hard as I could, not only for myself but for my children."*

Because of donors like you, participants like Sarah have a safe space to call home. Your donation helps provide the programs that Sarah and her family have accessed while living at Housing Hope.

We are incredibly thankful for you and your support and look forward to sharing more in the coming months! If you have any questions, give us a call at 425-347-6556.

## Thank You

Dear Camano Lutheran Church,

Thank you for your generous gift of \$50.07 to ministries of the Evangelical Lutheran Church in America (ELCA) through ELCA Good Gifts.

*"Jesus said, 'Which of these three, do you think, was a neighbor to the man who fell into the hands of the robbers?' [The lawyer] said, 'The one who showed him mercy.' Jesus said to him, 'Go and do likewise.'"*  
(Luke 10:36-37)

As a church, we are freed by the transformative life of Christ, and this freedom emboldens us to love and serve our neighbors just as Christ has shown us. Your gifts to the ministries of the ELCA help people around the world feel the power of God's love.

Your Good Gift is a very good gift indeed. Through resources such as seedlings and seminary courses, vaccinations and vegetable gardens, Bibles and blankets, you equip God's people — around the world and around the corner — with what they need to live abundant lives.

Thank you for your gracious gifts. The glory of God shines through you.

With gratitude,

*Rachel Wind*

P.S. Please see the reverse side of this letter for your official receipt.

Dear Camano Lutheran Church,

Thank you for your gift of \$100 to Safe Harbor Free Clinic.

We have seen an increase in new patients over the past several months, many of whom are new to our country. As they come and settle into life in the U.S., they need access to affordable healthcare until they are able to purchase health insurance. For some, this is their only way to manage ongoing health challenges.

Your gifts to Safe Harbor Free Clinic help to enable us to continue providing access to free healthcare to all who are in need of it. Thank you for the gift of a better life and for the hope it brings through the healthcare ministry.
