

Childcare Director

We are pleased to share the exciting news that Ashli French has been hired as the new Director of the Childcare program at Camano Lutheran Church.

Having worked in our Pre-School program as a teacher for the past 7 years and stepping into the role of Interim Childcare Director for the past seven months, Ashli brings a wealth of knowledge and experience to continue the positive legacy of Camano Lutheran Church Childcare.

Her genuine excitement and vision for ongoing program improvement is refreshing. She is highly regarded by her peers, supervisor, parents and the current Childcare staff. Her calm, fair approach to problem-solving and communication is a sought-after trait in a leader. The most important aspect of Ashli's personality and performance exhibited while working with children is her true gift of caring, nurturing every child in a safe, loving environment.

We are blessed and excited to have her as the new Director of Childcare!
