## Reflections with Pastor Scott

### Final Sabbatical Thoughts

By the time many of you read this, my sabbatical will have begun. I am looking forward to this Sabbath time of rest and renewal. I am grateful for the opportunity to spend extra time with Lisa and with family members I don't get to see in person very often. I am also looking forward to exercising more as I continue working on my health, as well as completing a few projects that have been on our list for quite some time. Most importantly, I am looking forward to having intentional time to listen for God's voice and to grow in my relationship with Christ outside of the "doing" that so often fills the life of ministry.

That said, I will miss all of you during these next three months. In many ways, that is one of the hardest parts of taking a sabbatical. Perhaps it is a bit selfish, but I know there is always the possibility that someone may no longer be with us when I return, and that thought saddens me deeply. So, please take good care of yourselves! I look forward to coming back in November and seeing each of you again.

I also want to express my heartfelt thanks to everyone who is helping make this sabbatical possible. Thank you to Pastor Mike and Pastor Carl for leading Sunday worship during this time. We are also blessed to have three of our lay members each share a Sunday message during the sabbatical, along with several of our benevolence ministry partners who will be preaching on the remaining Sundays. I hope you will enjoy learning from each of them and offer your presence as a way of encouraging and supporting their ministries.

Thank you as well to our staff - Anette, Mary, and Ashli - for their flexibility and willingness to adapt during this season. I am deeply grateful to our Church Council for continuing to provide the faithful leadership to which they have been called. Thank you also to the Sabbatical Team for all their planning and preparation, to our Care Team for providing pastoral care and support as needs arise, and to the Fellowship Team for creating opportunities for us to stay connected as a congregation.

For pastoral care, Pastor Mike will be available for pastoral emergencies from August 2 through September 15. From September 16 through November 1, pastoral emergencies will be covered by three of our conference pastors. So please call the church office if you have a pastoral emergency. As a reminder, during my sabbatical I will not be checking email, answering phone calls, or responding to text messages.

Finally, thank you to all of you for the wisdom and generosity of including a sabbatical in my Letter of Call. It is a tremendous gift, and I receive it with deep gratitude. My prayer is that this time of renewal will not only strengthen me but also be a blessing to our congregation as we each continue growing in our faith and trust in God's ongoing work among us.

Continuing the journey of faith with you,

Pastor Scott

**From the Bishop:****August 2026**

On July 18, 1976 Pastor Nancy Winder was ordained into Word and Sacrament ministry. She was the first woman ordained in what was then the North Pacific District and the fourteenth woman ordained in the American Lutheran Church.

But Nancy and those thirteen women were not the first. We remember all the women who came before them. In scripture we remember Mary, the mother of Jesus, Elizabeth, Mary and Martha, Mary Magdalene, Phoebe, Priscilla, Junia, Lydia, and all the unnamed women including the Samaritan woman at the well who ran to proclaim what she had seen and heard, becoming the first to declare Jesus as Lord.

Along with these women in scripture, we also remember the countless women in these last 2000 years — Hildegard, Katie Luther, Argula von Grumbach, Maria Stewart, Phoebe Palmer, Catherine Booth, Margaret Wold, and so many others who were called by the Holy Spirit to preach, teach, proclaim, lead, and serve. We give thanks for the myriad of gifts that God has poured out through women for the sake of the church and the life of the world.

I am so thankful for the many women in our lives who passed on their faith to us. The women who taught Sunday School, prepared the altar, made meals, visited those who were sick, and marched against injustice. The women theologians, mystics, and writers. The women who, in countless ways, proclaimed through word and deed the good news of Jesus.

Thank you to our sisters in Christ. Thank you for the ways you have lived out your faith in every vocation. Thank you to the women who have gone before us, to the women serving today, and to the women who continue to say yes to God's call — including those called into ordained ministry.

I wonder, do you remember the first time you heard a woman preach? The first time you heard an alto or soprano voice chanting the liturgy or saying the words of institution? I remember. I was twenty years old. Seeing and hearing someone who looked like me, who had a body like mine, made the gospel come alive in a way I hadn't experienced before. Truly, it changed my life.

This is why I grieve what is happening to some of our sisters in other denominations. In recent weeks, the Southern Baptist Convention voted at its annual assembly to further restrict women from teaching, preaching, and pastoral leadership. This means women ordained ten or twenty or fifty years ago may now find their callings denied by the very churches they have faithfully served. So many women — chosen, loved, called, sent — women with fire in their bellies to preach the gospel may no longer do so. Not by God, but by their denomination. Their silencing is not only a tragedy for them; it is a tragedy for the whole Church.

So today there is an urgency to remember, celebrate, and publicly proclaim, that women are called by God. Just as the Spirit came to Mary, who sang of the mighty brought down from their thrones, just as the Spirit sent Mary Magdalene to proclaim resurrection to the apostles, just as Lydia helped birth a community of believers, the Spirit has called and continues to call women in every age.

So, in joy, thankfulness, and celebration, let us give thanks for the women of the past, present, and future who continue to proclaim, teach, lead, and serve. For, as we read in Paul's second letter to the Corinthians, "Since it is by God's mercy that we are engaged in this ministry, we do not lose heart ... For we do not proclaim ourselves; we proclaim Jesus Christ as Lord."

### **FINAL Word from VEEP Kay:**

The Lord God has given me the tongue of a teacher, that I may know how to sustain the weary with a word. (Isaiah 50:4)

**MANY THANKS to Kay for sharing her insights and stories these last 8 years – she & her words have been a wonderful gift!**

I am a word person. I have always had an appreciation for the power of prose, the beauty of poetry, and the wisdom of the Word. Both of my degrees are in English and I spent thirty-seven years as a Language Arts teacher. God gave me the tongue of a teacher so I could sustain the weary with a word. So, early in my first term as synod vice president, when I was asked if I wanted to write a monthly article for “The Spirit,” I happily agreed.

At first, my hope was to use the space to share more information about the role of the synod council. I knew from personal experience that the average “person in the pew” didn’t really know much about the other two expressions of the church. Therefore, the first few submissions were heavy in language from our governing documents about the responsibilities of the vice president and the rest of the council. I shared about our meetings and what I and the other council members had been up to in the month. These were informational, but not exactly “sustaining the weary” words.

As time went on, circumstances changed. We entered into an unprecedented global pandemic that upended so much of what we believed about what community and church were. We learned new ways of being neighbors at appropriately social distance and new ways of doing and being church. As synod leadership scrambled to support and assist our congregations, it became apparent that weariness was a definite challenge. My articles began to focus on scripture and a layperson’s understanding of what God was doing in the world. Every day when I took my “I just need to get out of this darn house” walk, I prayed for the words to sustain the weary. I hope those articles were uplifting and strengthening in very troubling times.

Eventually, we emerged from the pandemic shutdown, but I continued to use the space to reflect on scripture. I’m not a deacon nor a pastor. I’m not a trained theologian. My ponderings are those of a layperson. I hoped that the things I was curious about or the little epiphanies I had would also resonate with others. Interestingly, although the bishop and I never discussed what we would be writing about, our articles almost always seemed like we’d coordinated them. It seems that “The Spirit” is truly Spirit-inspired.

In this final article, I want to share what an honor it has been to serve as your synod vice president over the past eight years. As tough as leading during the pandemic and the current political turmoil has been, I have had the opportunity to meet and work with so many wonderful people, not only throughout the synod, but the entire ELCA. I have had the joy of representing the synod at call meetings and of attending ordinations and installations of rostered ministers. I have been an active participant and leader in the Association of Synod Vice Presidents and I have represented the synod at three Churchwide Assemblies. Mostly, though, I have worked with the bishop, our amazing synod staff, and all the faithful and wise members of synod council to act on behalf of all the individuals, congregations, worshipping communities, and outreach ministries striving to be God’s presence here in the NWWA Synod.

Thank you to all who have supported me these past eight years. I commend to you our new Vice President, Cindy Shultz, whose term begins August 1. I know she will be a great partner in this work. It has been my honor and privilege to serve as vice president.

Blessings and peace to you all!

## BENEVOLENCE OF THE MONTH

August 2026

### *More Than a Food Bank*

Stanwood-Camano Food Bank provides resources and connections to alleviate hunger and meet the basic needs of families, seniors, and individuals in our community.

## THREE SIMPLE WAYS TO HELP

### VOLUNTEERING

One of the easy ways to help alleviate hunger in our community is by volunteering. Help is needed within the **Food Bank** during distribution, with packing Meals 'Til Monday, and helping in the Holiday House as well as the **Thrift Store**. There are a lot of opportunities available.

### DONATE FUNDS

Financial donations allow them to provide items that cannot be donated such as **fresh eggs, milk, and frozen meats like chicken**. These funds help purchase food at **wholesale prices**, ensuring families receive nutritious, well-balanced meals. Thanks to the contributions from donors, they are able to continue to alleviate hunger in our community.

### DONATE FOOD

You can donate **non-perishable food items** anytime by placing items in the blue wooden donation bin on the north side of the building. **Garden produce** donations are accepted during open hours (Tuesday - Friday 9:00 am - 2:00 pm). You can also sign up for our **A Simple Gesture (ASG)** program to donate on a consistent, bi-monthly basis.

## July 2026 Notes From The Property Maintenance Team

The following tasks were accomplished during the past month:

I think the saying is: "Missed it by that much." The dishwasher wasn't installed until well after your receipt of the last issue.... but it is now working fine.... except, the installation of soap dispensers won't occur until July 15<sup>th</sup>.

The electrical wiring for the new dishwasher was inspected and approved.

The bookkeeper's door lock that was supposedly fixed last month, malfunctioned again and was replaced.

The fire alarm system began chirping very early on July 7<sup>th</sup>. Called the 1-800 phone number, it was caused by a company system malfunction. Chirping persisted for most of the day before the problem was finally fixed.

The sinks on the main floor of Child Care were emitting a strong odor. Flushed them with baking soda and white vinegar, the odor subsided. Will monitor them.

The positions of the soap dispenser and paper towel dispenser in the Pioneer kitchen were switched to provide easier usage of the paper towel dispenser.

The Fellowship Hall carpet was cleaned, the majority of the large spill spots were removed.

Play, Learn and Grow Together

We hope everyone is having a wonderful summer! It has been filled with laughter, learning, and lots of fun. It's hard to believe that we are already in our last month of having the school-age children with us full-time before they head back to school this fall.

The children have been making the most of the beautiful weather by spending plenty of time outdoors. They have also been enjoying arts and crafts, water days, and other fun summer activities. Our school-age group has especially been looking forward to their weekly movie day, which has quickly become a favorite!

We have a few staff updates to share. We recently said goodbye to Ms. Yasmin, who has decided to pursue a new career path. We are thankful for the time she spent with our children and wish her all the best in her new adventure.

We are excited to welcome Diane! She is joining our team as an Assistant Teacher and will be helping in the toddler classroom. We are happy to have her as part of our childcare family.

Kris is continuing to recover from surgery, and we wish her a smooth and speedy recovery. In the meantime, Liberty has been doing a wonderful job filling in as our temporary cook, and we appreciate all of the care she has put into preparing meals and snacks for the children.

As summer begins to wind down, we are already looking ahead to fall. We are preparing classrooms for the new school year, welcoming new routines, and getting ready for another wonderful season of learning, growing, and making memories together.

Your generosity today continues to restore a sense of home for families who have been forced to leave theirs.

With more human beings displaced every day by violence, scarcity, and a changing climate, our work of welcome is needed more urgently than ever. Once again, thank you.

Dear Friends,

Thank you for your gift of \$100.00 to Lutheran World Relief given through the Northwest Washington Synod of the ELCA. I thought you might appreciate this example of how your compassion changes lives:

Markus Ginting is a hardworking farmer in Indonesia. His main crop is potatoes, which he used to grow the traditional way using conventional fertilizers and pesticides. Before he learned new methods, he would lose up to 40% of his crops to diseases every year — making it difficult to afford his children's school fees and other basic needs for his family.

A few years ago, everything changed when LWR taught him how to make organic fertilizers from plant waste and manure from his own farm. Today, his crops are healthier and are no longer dying from diseases at high rates. This means he can sell more potatoes for the same amount of effort. This added income, plus the money he saves by making his own fertilizers, has given his children healthy food, access to education and much greater hope for the future.

Thank you for changing lives with your generosity. I'm excited to see whose life you will change next... until your love reaches every neighbor.

Warm Regards,

Ambassador Daniel V. Speckhard  
President and CEO

Dear Camano Lutheran Church,

Thank you for your **\$797.51** gift to Lutherwood Camp and Retreat Center! Your gift helps further our mission of sharing God's love by allowing others to *Explore GRACE in Creation*.

As the rains of early spring shift to summer sun, we give thanks for all the ways that the Spirit brings new life at Lutherwood. With our dedicated staff and volunteers, we continue to build upon 79 years of ministry on Lake Samish. God is calling our camp into its next chapter, and we're honored you are part of the legacy building the future.

Your gift doesn't just help keep lights on and buildings painted—it plants seeds of faith, friendship, and resilience that will grow well into the future. Each story I hear from campers and staff speaks to the authentic community God fashions here. Which of us doesn't need real community? Your giving makes it possible.

2026 will bring new joys and challenges. We are hopeful to make major strides with bathroom upgrades, painting, and replacing outdated gas heat with sustainable electric options. We are excited to "Wear Love" in the summer, rekindling relationships with campers and God through our various programs. Your partnership helps ensure that Lutherwood remains a vital place in Western Washington where people can root themselves in God's love and grow in faith, season after season.

Thank you for being part of the Lutherwood family. We couldn't do it without you, and we're grateful to walk this journey together.

In Christ,
